# How to File a Claim for your Medico® Insurance Policy

## Claim Filing

Providers or healthcare facilities may file the claim on your behalf. Be prepared to show your Medico Insurance Company ID card at your appointment. We accept the HCFA 1500 (Health Care Financial Administration) or UB-04 standardized health insurance claim forms.

If you are unable to receive a completed standardized form from your provider, we will also accept the Medico Claim Form. For a copy of this form, please visit the [www.GoMedico.com](http://www.GoMedico.com) website.

***All claims should be submitted to Medico by mail or fax.***
